Government were pleased to accord sanction in their order referred to among other things for appointing one booking clerk cum literate attender on a fixed pay of Rs 30/- for a period of one year for the Municipal swimming pond at Saraswathipuram, Mysore It is directed in the Govt order dated 10-6-1955, that the proposals for further continuance of the establishment may be sent to Government after examining the financial aspects of the question

The establishment was only entertained in the first instance purely as a temporary and experimental measure and the question with regard to the necessity otherwise of the services of a clerk or an attender was for some time consideration and as such no action was however taken to fill up the appointment through the P S C Now after examining the case in detail it is found, that the services of a literate attender on a fixed pay of Rs 30/-p m are sufficient to manage the pond It is therefore thought necessary to eleminate the words " Booking clerk cum Attender referred to in the Government Order under advertance

The Municipal Council before whom the subject was placed for consideration have approved the recommendations of Managing Committee to treat the services of the attender of the swimming pond as inferior

inferior on a fixed pay of Rs 30/- p.m

In enclosing the copy of the Resolution of the Municipal Council, I request that sanction of Government to the same may kindly be obtained and communicated early

Yours faithfully,
